### **Printmaker Sidney Hurwitz at the Flint Institute of Arts**

(Flint, MI) The Flint Institute of Arts (FIA) will present the graphic works of artist Sidney Hurwitz in the Ford Graphics Gallery May 7 – July 3. Mr. Hurwitz focuses his printmaking images on industrial machinery and architecture. He finds American industry a great source of visual material, and by focusing on the geometric forms of bridges, factories and train stations, the compositions often take on abstract qualities.

The FIA is open Mon - Wed and Fri. 12p-5p; Thu. 12p-9p; Sat. 10a-5p and Sun. 1p-5p. There is no charge for admission to the permanent collection galleries and all Saturdays are Target Free. For more information about this and other exhibitions at the FIA visit [www.flintarts.org](http://www.flintarts.org) or (810) 234-1695.
