## **Secrets of Lost Empires: Inca**

60 min

Did they do it with mirrors? That's one of the more bizarre explanations this documentary looks into while trying to reconstruct the mysterious building techniques of the Inca, the remarkable civilization who ruled the Peruvian Andes 500 years ago.

October 17

## **Eero Saarinen: The Architect Who Saw the Future**

60 min

Eero Saarinen's (1910-1961) sudden untimely death at age 51 cut short what continues to be one of the most influential legacies in American architecture, a body of timeless work that stands apart from the clutter of contemporary design and continues to inspire architects today.

October 24

## **Brooklyn Bridge**

60 min

This award-winning film by Ken Burns recaptures the drama, struggles, and personal tragedies behind the greatest of all achievements of America's industrial age, the Brooklyn Bridge. Witness the human heroics behind the bridge that seized America's imagination in the 1880s. Discover the enduring charm and beauty of a granite-and-steel masterpiece.

October 31

## **Haunted History of Halloween**

50 min

A ghoulish array of costumes, make up, and decoration descend on communities every year on October 31st, but few people are aware of how the celebration came to exist. This documentary delves into the 3,000 years of hoopla that traditionally unfolds when October comes around.
