OPPORTUNITIES TO SUPPORT

12th Annual Art on Tap

Friday, October 18, 2019
The Flint Institute of Arts (FIA) has served Flint and the surrounding areas for more than 90 years to advance the understanding and appreciation of art for all through our collections, exhibitions, and educational programs. As the second largest art museum in Michigan and one of the largest museum art schools in the United States, more than 160,000 people visit its galleries and participate in its programs and services.

The FIA is a critical force for positive change in Flint and essential to the city’s quality of life and economic vitality. Genesee County has come to depend on a vibrant arts and cultural community to attract talent, business investment and simply make it a great place to live, work and explore. It is our intention, through our varied programs, to serve as agents of social change, creating experiences filled with wondrous things that remind us of what it is to be human, and to stimulate dialog around issues that increase empathy and compassion. As the priorities of our community evolve, the FIA strives to adapt its programming to bring art experiences to those who will benefit most.

FIA’s special events have proven to be a most effective marketing tool for sponsors to impress the community with their generosity in support of a highly recognized public institution. **Sponsor benefits are designed to help you achieve brand awareness, provide event tickets for client/employee entertainment, and achieve your philanthropic goals.**

Special events like Art on Tap: Beer, Bourbon, BBQ are made possible through contributions by the generous donors of the FIA. Proceeds from the event directly cover bus transportation and art materials for elementary and secondary students participating in FIA education programs.

Together, we can creatively improve the reputation and vitality of Flint. We thank you for your consideration and hope to see you at Art on Tap!
