

Art School Scholarship Application

FIA Art School Scholarships are made possible through the generosity of many organizations and individuals who believe that quality art experiences should be available to everyone regardless of their financial circumstances. Scholarships are offered to those students who could not otherwise afford to take classes at the FIA. Scholarships are granted to eligible students on a first-come first-served basis while funding remains.

Scholarship Application

- Write in your household income and include a copy of your household's most recent Federal Income Tax Return
- Scholarships will not cover the full cost of tuition.
- This document will be held in confidence by the Art School Administration
- Completed form and documentation should be mailed or emailed to the Art School.
