## **AACG Grant Helps FIA Expand Glass Programming Art Alliance for Contemporary Glass Grant Brings More Visiting Artists**

Flint, MI – Thanks to a grant from Art Alliance for Contemporary Glass (AACG), the Flint Institute of Arts continues to expand its glass-related programming. In July 2019, these funds allowed the museum to host a series of Friday evening glassworking demonstrations with visiting artists, including Herb Babcock and Ryan Thompson. Josh Wojick, the final visiting artist of the summer season, will demonstrate on Friday, August 23 from 5:30-8:30 PM in the FIA Hot Shop. All Friday night activities are free to all visitors.

Artist residencies have flourished under the grant, with Matt Eskuche visiting in July to teach a two-day intensive workshop, demonstrate his craft to FIA Art School students and visitors, and present a public talk about his past and current work. In the fall, Julia and Robin Rogers will conclude the 2019 artist residency program, when they teach their "Finding Form Through Sculpting" workshop and create a small body of work, which FIA visitors are encouraged to observe.

For more information about the "Finding Form Through Sculpting" workshop or FIA glass classes, please call the FIA Art School at 810.237.7315. To interview or observe Julia and Robin Rogers, please contact Chene Koppitz, FIA Communications Coordinator, via email at [ckoppitz@flintarts.org](mailto:ckoppitz@flintarts.org) or by phone at 810.237.7387.
