About the Flint Institute of Arts

Incorporated in 1928, the FIA is a privately supported, non-profit organization. It is one of Michigan’s most significant cultural and educational resources, serving people of all ages and interests. The Institute is supported entirely through memberships, sales, rentals, admissions, tuitions, contributions from individuals and businesses, earned income from endowments, county millage funds, and grants from trusts, government, and foundations. The Institute’s collections and temporary exhibitions are open daily (except national holidays). Art classes for adults and children, lectures, films, tours, and other special events are also offered as an integral part of the Institute’s educational mission. The Flint Institute of Arts is tax-exempt under Section 501 (c) (3).

Mission

To advance the understanding and appreciation of art for all through collections, exhibitions, and educational programs.

The FIA is a non-profit, equal opportunity employer, and provides programs and services without regard to race, color, religion, national origin, age, gender identity, or disability.

FIA operations are funded in part by the Genesee County Arts Education and Cultural Enrichment Millage funds. Your tax dollars at work.

Operating support for the Flint Institute of Arts is provided in part by the Charles Stewart Mott Foundation.

FIA exhibitions and programs are made possible in part with the support of the Michigan Council for Arts and Cultural Affairs, a partner agency of the National Endowment for the Arts.

2021-22 report

FROM
Thomas B. Lillie
President
John B. Henry
Executive Director

The 2021-22 fiscal year thankfully saw the FIA fully operational and in-person once again. During the year, the FIA served nearly 125,000 visitors, registered 2,611 members, and raised a \$6.5 million budget, ending the year in the black, and we are extremely grateful to our many, many donors for their financial support.

The Curatorial Department designed and installed 16 exhibitions drawing 50,000 visitors, planned 2 members’ previews and 4 artist talks; created video and virtual content; digitized 82 stops for the online version of the audio guide; and researched and wrote hundreds of labels. The FIA also hosted 21 lectures on topics related to the permanent collection and art history in general.

Art School registrations continued above pre-pandemic averages, ending the year with 2,207 registrations from 992 individual students with an impressive 13,077 encounters. Through the Education Department’s adult programs, college programs, family programs, and the K-12, homeschool and early childhood programs, 40,909 children and adults were reached.

The Events Department hosted 26 rentals, 11 partnership events, and 41 internal events this fiscal year, in addition to 4 major fundraisers, two of which boast record breaking attendance and profits.

Six capital projects were completed this year including a major sidewalk and exterior lighting replacement, interior lighting conversions to LED throughout the institute, new visual storage drawers for paperweights in the Ann K. Walch-Chan Gallery, a rebuild to the large kiln in the Art School, a complete renovation to the Art School Sheppy Dog Meeting Room (formerly known as the Lecture Room).

The Friends of Modern Art volunteers continued to sponsor the ever-popular film series that runs Labor Day through May serving 2,386 film patrons, as well as sponsoring the exhibition *Being Human: Contemporary Art from the Rubell Museum*. And, after a two-year hiatus, FOMA was able to host their major fundraiser, the 55th Annual Flint Art Fair, which served more than 100 artists and 4,000 visitors.

The Founders Society volunteers, though unable to raise funds to support FIA programs through their annual First Frost fundraiser, were successful in hosting a First Bloom event at the Flint Cultural Center Academy in April. The successful event will become annual, as well.

We would like to express our gratitude to our dedicated volunteer groups, including the FIA Board of Trustees and at-large committee members, for their unwavering commitment of time and dedication.

It is with pride and admiration that we also express our gratitude to our highly skilled and seemingly tireless staff. Their ability to turn their knowledge and creativity into so many tangible successes was, as always, second to none.

As the 2021-22 fiscal year ends, so does the tenure of the longest serving Executive Director in the FIA’s history. With great pride in and immense appreciation for the past 25 years of achievements, the FIA now looks ahead to a new leadership perspective that will keep things fresh and exciting for current and future audiences.

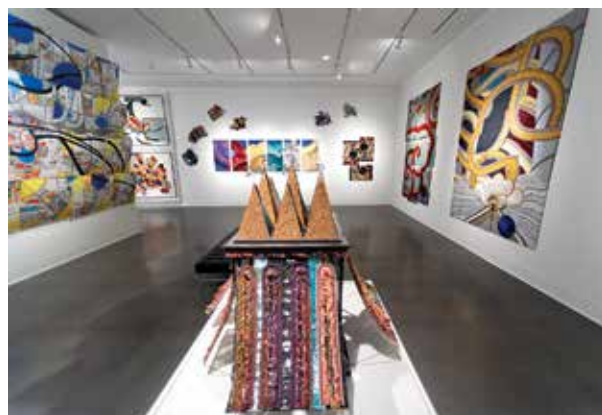

Thomas B. Lillie, President, and John B. Henry, Executive Director, raised their glasses in a toast during the 2022 Wine Tasting event.

During the 2021-2022 fiscal year, the Flint Institute of Arts presented 16 unique exhibitions that allowed visitors the opportunity to experience 621 works of art by 281 different artists. The goal of exhibitions is to enhance our visitors' understanding of the various thematic, aesthetic, and historical elements of a work of art. From works in our permanent collection to international exhibitions, the FIA presented a broad range of exhibitions that explored a variety of artistic styles and themes.

Sons: Seeing the Modern African American Male exhibition

Minglings: A Journey Across Time exhibition

We began the fiscal year at the museum with *Bo Bartlett: Forty Years of Drawing* in the Graphics Gallery. The exhibition presented 31 graphite drawings and gouache paintings by American realist artist Bo Bartlett from the last 40 years of his career. The works in this exhibition were created as studies for Bartlett's paintings and revealed an intimate peek into the side of an artist's oeuvre that is rarely seen by the public.

In the fall, in the Hodge and Henry Galleries, *Brush with Reality: Yigal Ozeri* featured 49 paintings from the last 10 years of Yigal Ozeri's career, from his first depictions of women in the jungles of Costa Rica to his later series that captured people on the streets of New York City. The artist, Louis K. Meisel (Gallery President and Director of the Louis K. Meisel Gallery, New York), and Curator of Collections and Exhibitions Tracee Glab participated in a talk that discussed Ozeri's past and current work. In the Graphics Gallery, *Time (Constant, Suspended, Collapsed): Neha Vedpathak* presented 14 artworks by the Detroit-based artist. The artworks in the exhibition were created

by Vedpathak using her signature plucking technique where she separates the fibers of Japanese hand-made paper using a pushpin, resulting in a lace-like paper. Vedpathak and Tracee Glab were part of a discussion in the FIA Theater in which they talked about the artist's work and process.

In the Harris-Burger Gallery, *Steeped in Tradition* featured 41 contemporary objects from teapots to bowls and saucers that explored the continued history of the consumption of tea. To end the calendar year, in the Ann K. Walch-Chan Gallery, *Restrained/Unrestrained* included 61 objects ranging from a Roman oil lamp to a contemporary vessel. The exhibition illustrated the importance of receptacles in societies throughout history and cultures. To begin the new calendar year in the Graphics Gallery, *Drawing from Life: Ed Watkins* focused on the local artist. Watkins taught visual arts and design for 40 years, and the 15 drawings and mixed media works in the exhibition showed the progression of his craft over time and offered insight

into the African American experience through his subject matter.

To accompany the 15th Annual Community Gala, *Sons: Seeing the Modern African American Male*, in the Hodge and Henry Galleries, featured photographs by Jerry Taliaferro of 49 men from the Flint community. The 98 photographs, which included a black-and-white and color photo of each man, explored perceptions and biases. The Gala included a question and answer with Taliaferro who also participated in a "Meet the Artist" event following the Gala. In the spring, *Out of the Past: Printmaking 15th to 18th Century* in the Graphics Gallery presented 26 works from the 16th through the 18th century and included various printmaking techniques including engraving, etching, drypoint, woodcut, and wood engraving.

Being Human: Contemporary Art from the Rubell Museum, in the Hodge and Henry Galleries included 49 contemporary artworks from the Rubell Family Collection, located in Miami, Florida. The exhibition explored the diverse world of contemporary art through the lens of the human experience. Director of the Rubell Museum, Juan Valadez, gave a lecture on the artworks in the exhibition and the Rubell Collection. In the Graphics Gallery, Collections Manager Heather Jackson guest curated *The Power of Print*, which featured 26 works on paper by Social Realists from the early 20th century that focused on social issues such as working conditions, fascism, racism, and women's roles.

To round out the 2021-22 fiscal year, *Minglings: A Journey Across Time* included 30 drawings, fiber artwork, and mixed-media objects by Director Emeritus of Cranbrook Academy of Art and fiber artist, Gerhardt Knodel. The exhibition led visitors on a journey between cultures and through Knodel's studio practice. Knodel gave an accompanying artist talk that touched on his process and the *Minglings* project.

The Power of the Print

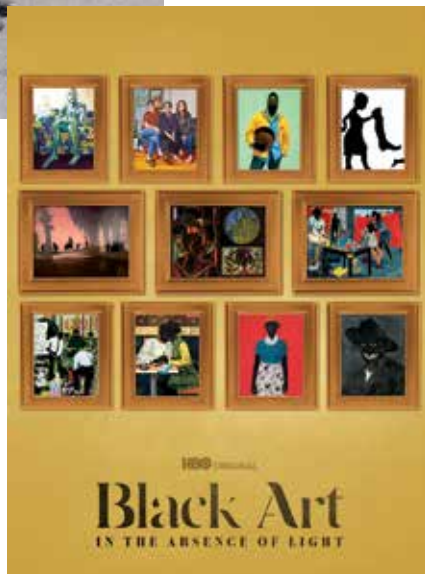

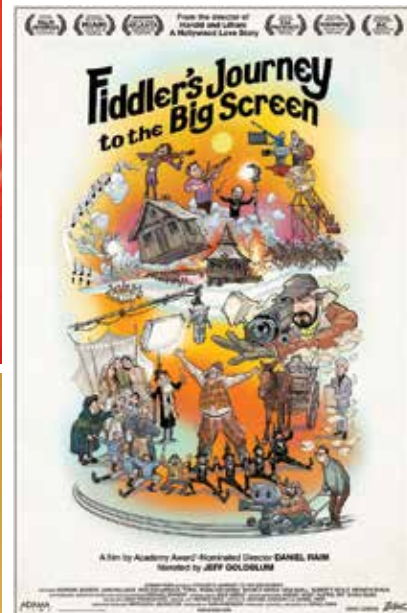

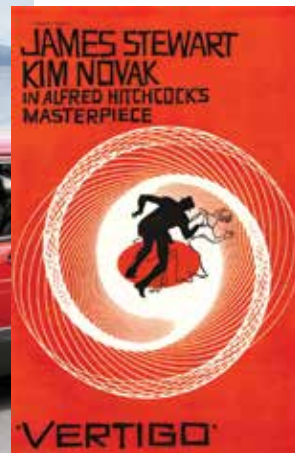

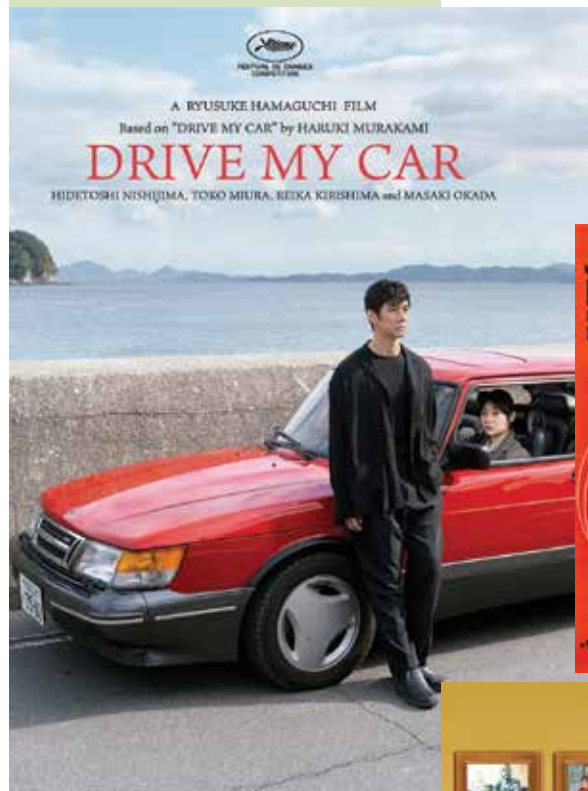

The FIA Film Program is intended to offer motion pictures that appeal to a diverse audience in the local community. The program is comprised primarily of a weekly schedule of film series and festivals in the FIA Theater. The main series, sponsored by the Friends of Modern Art and held mainly on Fridays, Saturdays, and Sundays, accounted for 36 titles over 38 weeks from September 2021 until June 2022.

Among the movies shown at the FIA in 2021-22 were *Drive My Car*, Academy Award winner for Best International Feature Film; *Quo Vadis Aida?* and *The Man Who Sold His Skin*, best foreign language film Oscar nominees; *Licorice Pizza*, a best picture Oscar nominee; acclaimed documentaries *Flee*, *Ailey* and *The First Wave*; and dramas *Night of the Kings* and *My Salinger Year*.

In addition to the FOMA- and DFCU- funded titles, the FIA partnered with the Flint Jewish Federation for the 18th annual Karen Schneider Jewish Film Festival of Flint and with the local non-profit Communities First for the seventh season of a four-title series of African American-themed films.

The weekend of September 24-26, director Geri Alunit Zeldes and cast members of the film *Breed & Bootleg: Legends of Rap* appeared in a panel discussion in the FIA Theater.

Ed Bradley passed away unexpectedly at the end of January 2022. The Associate Curator of Film since 2008, Ed worked closely with the Friends of Modern Art on the FOMA series. Collections Manager, Heather Jackson stepped into the role of Film Coordinator, working with the Friends of Modern Art to finish out the 2021-22 season and the Flint Jewish Federation for the Karen Schneider Jewish Film Festival.

Dort Financial Credit Union Summer Series Dedication

The Dort Financial Credit Union Summer Film Series began with a presentation honoring former FIA Film Curator Ed Bradley. The program was hosted by FIA Executive Director John Henry, FOMA Film Aficionado Michael Rucks, and Film Society Legacy member Linda Pylypiw. The DFCU Summer Series, dedicated to Ed Bradley featured films from his Film Appreciation classes he taught at the FIA.

Film Society

The 2021-22 season marked the 14th season of the FIA Film Society, which was formed to increase interest in and funding for the film program.

By season's end, the society included 54 members and sponsors. Members received 36 tickets to FIA films, listings in the FIA Magazine and Annual Report, and access to monthly e-newsletters about upcoming movies. Higher sponsorship levels were acknowledged before each film presentation.

Media Art encompasses artworks that were created through the use of technology and new media, which includes interactive and immersive art, computer animation, video games, and more.

Each year, the FIA features contemporary video artworks in the Media Arts Gallery. This fiscal year, the gallery presented 10 different videos that touched on the themes of cultural differences, popular media, destruction, and transformation. The gallery is ideally suited for single-channel videos, played on a continuous loop, and projected onto a 5x7 foot screen, as well as small video installation.

In June of 2022, the Media Arts gallery closed for a three-month long renovation and expansion to accommodate more visitors and provide a better viewing experience with

a larger screen and a new high-definition projector. The construction was made possible by a donation from Security Credit Union. Upon completion in August 2022, the gallery was named the Security Credit Union Media Arts Gallery.

acquisitions

The Flint Institute of Arts' permanent collection is a resource for creating exhibitions and developing educational programs for a diverse public, including scholars and students.

The growth of the collection is supported by gifts from civic-minded individuals who donate funds or works of art to the permanent collection. In addition, the Curatorial Department and the Collections Committee work together to identify strategies and seek new funds for the acquisition of artworks that meet museum objectives and the expectations of an ever-inquisitive and knowledgeable public. The staff conducts work essential to the care and management of the collection, including research, documentation, preservation, conservation, presentation, and interpretation.

loans

The Flint Institute of Arts believes an effective way to enhance its reputation as an important cultural institution is to lend works of art from its permanent collection to other museums. Lending art promotes collegial relationships between museums and provides national and international audiences exposure to works of art from the FIA’s permanent collection. The FIA also borrows works from other museums, galleries, and collectors to supplement its permanent collection and exhibitions.

publication

Publications are one of the many tools museums have to disseminate information about art in their collections through new research and up-to-date photographs. These books are offered for sale to visitors, providing a lasting memory of their visit. Additionally, these publications are gifted to other museums to share knowledge and create opportunities for future collaborations.

In fiscal year 2021-22, the FIA published a catalogue for the exhibition, *Sons: Seeing the Modern African American Male*.

This exhibition consists of photographs by Jerry Taliaferro of African American men who were nominated by the community in early 2021. The photographs are divided into two sections: first a black-and-white photograph of just their faces, and then later in the exhibition a photograph in color, where the subjects were instructed to “be themselves.” Visitors have the opportunity to reflect and reconcile their initial reactions to the black-and-white portraits, after getting to know the men through their color portraits.

Jerry Taliaferro

Jerry Taliaferro was born in the small southern town of Brownsville, Tennessee. After graduating high school in May 1972, he joined the Army. His interest in photography began in 1981 when he was posted to Fort Bragg, North Carolina, for Special Forces training. While serving in Germany, his fascination with photography continued to grow and, in 1985, he was published for the first time when a Munich magazine purchased the rights to one of his images. Since then, Taliaferro has focused on fine art photography and has participated in numerous group and single-artist exhibitions across the United States.

education

The Flint Institute of Arts is committed to promoting understanding and enjoyment of the visual arts through high quality art education programs. We believe art is a vital component of life and that learning is a lifelong process. Our educational programming provides dynamic and enriching experiences for people of all ages with all levels of familiarity with art.

PreK-12 Programs

PreK-12 programs served 27,557. Fifteen percent participated in gallery lessons, 16% in studio activities, 68% in outreach programs, and 1% in self-guided visits/virtual programs. Twenty-six percent of students attended public schools, 3% private schools, and 71% homeschool/charter schools, with 99% of the schools located in Genesee County. The remaining 1% were from Bay, Clinton, Livingston, Roscommon, and Shiawassee Counties.

Public Programs

Public program participation resumed, with the noontime video series Art à la Carte growing in attendance to pre-pandemic numbers. A total of 16,391 were served.

Our programs invite people to gain greater understanding and enjoyment of the FIA's outstanding permanent collection and special exhibitions. They are designed to present learning opportunities that are rich in content and stimulate imagination, thought and creativity.

Education programs served a total of 43,028 during the fiscal year.

School children enjoy a gallery visit.

Docents & Interns

Docents are integral to the Education department. During the pandemic, tours were suspended due to Covid restrictions. However, monthly meetings were able to continue via Zoom, resulting in 172 hours of service.

art school

The FIA Art School is dedicated to the enrichment of the community through individual academic exposure to the visual arts. Highly qualified faculty offer instruction in drawing, painting, glass arts, weaving, photography, animation, ceramics, sculpture, college portfolio development, and early childhood art courses. Since 1928, the Art School has helped students develop a wide range of artistic goals and skill levels. Programs are designed to support the mission of the FIA with dynamic curricula that engages students and the community through creative processes, studio experiences, and gallery exhibitions.

The Art School now offers more than 450 courses and workshops every year, which represents a 45% increase since 2015. Also in that time frame, we have increased registrations by 60% and tuition revenue is up 63%. Although temporarily slowed down by the COVID-19 pandemic, the school continues to create new programs and add to the wealth of opportunities we provide to our community.

Because glassblowing is inherently a team-focused activity and requires sharing equipment and space, the Art School suspended all glass-blowing courses, lessons, and studio parties until Fall 2021. We are in the process of rebuilding that audience with several very low-cost one-day workshops and other low risk opportunities for potential students to engage with the shop. Hot Shop staff also shifted their focus to less contact-heavy processes such as fusing, casting, and hot sculpting. This allowed us to keep things active while minimizing the virus risk. From July 2021 to May 2022, we held 61 glass courses serving 323 students, this compares to pre-pandemic levels of 43 glass courses serving 253 students.

The Art School partnered with the Food Bank of Eastern Michigan to produce more than 1,700 handmade ceramic bowls for the Food Bank's annual Empty Bowls Project, which

helped raise over \$40,000, despite pandemic-related limitations to the event.

With funding assistance from the James A. Welch Foundation, the Pre-College Portfolio Development Program continues to facilitate the career pursuits of more than 40 gifted high school visual arts students each year from area school districts. There are three groups concurrently participating in the program annually. The primary objective of this program is to further enhance student abilities in the visual arts through advanced studio instruction, college admission preparation, and exposure to various career paths within the arts to both students and families. Over the course of the three-year program, each student produces a portfolio developed to showcase his or her individual strengths for college applications and scholarship consideration.

The preparation for presentation and public exhibition of artwork is an essential component of arts education and the Art School is committed to providing opportunities for students to show their work. The Art School mounts four to six one-month hallway exhibitions of student and faculty work each year and four three-month exhibitions in the Art School Gallery at the front of the FIA museum, next to the gift shop, which give students not only the opportunity to show their work but introduces the possibility of selling it as well. The Art School also maintains a selection of student and faculty work in the lobby of the Dryden Building on 2nd and Saginaw Streets in downtown Flint.

Following a pause during the pandemic, the Art School recently resumed its partnership with the Disability Network of Flint and Genesee to provide accessible art classes to adults with a range of intellectual, physical, and emotional disabilities. Disability Network instructors and aides teach these classes twice a month in an Art School studio. This program has logged approximately 20 encounters per month.

Resident artist, Morten Klitgaard, provided public demonstrations and worked for three weeks in the FIA Hot Shop producing new bodies of work that were then exhibited at Simone DeSousa Gallery in Detroit.

The 15 Art School studios are in operation 12 hours per day, seven days per week. Like any facility in constant use, the Art School requires regular maintenance, repairs, and upgrades to equipment. We extended the lifespan of some of our major equipment by rebuilding and tuning up much of our hot shop infrastructure during the COVID-19 shutdowns. We added a large fusing kiln to expand our glass education capabilities and to reach wider audiences interested in glass art. We also

installed a medium-sized gas ceramics kiln that we acquired through a partnership with Mott Community College. The addition of this kiln significantly increases not only our firing capacity but opens opportunities for special projects that would not otherwise fit into our existing firing responsibilities and methods. The new kilns were made possible by donations from students and friends of the Art School. This fall, we made much-needed repairs to our large gas ceramics kiln. This kiln is the workhorse behind firing more than 20 tons of clay each year and it required a complete rebuilding of the firing chamber. We worked with refractory specialists, K-Industrial, and ran an analysis of the crumbling brick to determine what had caused the deterioration. Based upon that analysis, K-Industrial rebuilt the kiln using a much more resilient brick that would withstand the frequent firings and the glazes that we use. The kiln should last another 20 years or more before needing rebuilding. We were able to raise approximately \$9,000 through students and partners to help fund the project.

In addition to the Art School's roster of highly qualified faculty, the school constantly works to bring into our community artists who work in different media or disciplines as well as those who approach familiar media in new and inspiring ways. In summer of 2021, renowned glass artist John Miller, who simultaneously exhibited in the FIA's Harris-Burger Gallery, provided hands-on workshops, free public demonstrations, and meet-and-greet events. We also hosted artist Jeff Mack from the Corning Museum of Glass for free public demonstrations and well-known hyperrealist draftsman Armin Mersmann for a sold-out week-long drawing workshop and online iPhone photography class. We partnered with Habatat Gallery to host internationally known glass artist Richard Jolley for a day of free public demonstrations in September. Photorealist painter Yigal Ozeri joined us for two three-day workshops this winter providing students with insight into his practice and surveys of contemporary realist art. International glass artists Maria Koshenkova and Morten Klitgaard provided public demonstrations and worked for a total of three weeks in our hot shop producing new bodies of work that were then exhibited at Simone DeSousa Gallery in Detroit.

As the preeminent studio facility in the mid-Michigan region, the Art School is a tremendous asset to the educational community in the area. The Art School now offers glazing and firing services to Mott Community College so that they may continue providing ceramics experiences to their students while no longer maintaining clay facilities. The Art School is working with Flint's Factory Two makerspace to create mold making and metal casting courses. We also partner with UM-Flint to offer Art History, Figure Drawing, and Glass survey courses in our studios. The Art School also works closely with Flint's Buckham Gallery to bring some of their exhibiting artists to the FIA for workshops and demonstrations.

With funding provided by McLaren Health Care, the Art School Hot Shop provides free formal public demonstrations every Saturday and Sunday during regular museum hours. The demonstrations provide an essential bridge between glass objects on view in the galleries and the opportunity for visitors to see some of the techniques that make those objects possible. As of June 1, approximately 4,193 people attended these free demonstrations. Objects made during the demonstrations are offered for sale in the Art School gallery, which provides additional operational revenue for the hot shop.

New York-based Israeli artist Yigal Ozeri conducted two three-day photorealism painting workshops during the 2022 winter term.

The Flint Institute of Arts offers an active schedule of events for members and the general public throughout the year, including Holiday Walk, the Founders Society's First Frost Arts & Fine Crafts Fair, and the Friends of Modern Art's Annual Flint Art Fair. Annual fundraisers at the FIA are diverse and appealing to all demographics. A committee of devoted and hard-working volunteers are active in all areas of planning each event. From Art on Tap and Wine Tasting to the Community Gala and The PARTY, the FIA continues to create a varied palette of events to engage the community and raise funds for the Institute.

Fore the Arts

9.27.21

The FIA brought back the Fore the Arts Golf Tournament at the prestigious Flint Golf Club. Ninety-three players enjoyed a chef grilled lunch before teeing off at 1:00p in an 18 hole scramble format. Cash prizes were awarded for winner-takes-all, closest to the pin, and longest drive in men's, women's and mixed team categories. Skins and mulligans were also available for purchase. The evening commenced with exciting raffle prizes and an award ceremony. Sorensen Gross Construction was the Signature Sponsor and the tournament netted \$16,000. Proceeds benefited children and family programming at the FIA.

Sponsors: Applebee's, Mrs. Edmund Brownell, ELGA Credit Union, Ann Arbor Audio, ATI Group, Attorney Matthew Norwood, Bill Carr Signs, Community Foundation of Greater Flint, Creative Windows, Daniel J. Ryan MD, Dave Lamb Heating & Air Conditioning, Drs. Carrie Ehinger & Jeannine Hopfensperger, Fessler & Bowman, FOMA, Founder's Society, Grounds Driving Range, Huntington National Bank, Gary & Carol Hurand, McLaren Flint, Michigan Lumber Co., Prudential, Rodney Lontine - Flint Institute of Music, Sloan Museum & Longway Planetarium, Sorensen Gross Company, Torch Bar & Grill, Walker Electric, Werschky, Lewis & Slatton Family Dentistry

Fore the Arts

Holiday Walk

12.7.21 - 1.1.22

While Holiday Walk was unable to take place in the traditional sense, the institutions of the Flint Cultural Center put on a magnificent display of lights down Kearsley Street for the community to enjoy from December 7 to January 1. Area residents were invited to drive through the holiday experience while listening to the Flint Symphony Orchestra play themed music on 98.5FM.

Art on Tap: Beer, Bourbon, BBQ

Canceled

Due to concerns about the ongoing pandemic, the FIA made the difficult decision to cancel the Art on Tap fundraiser scheduled for October 15, 2021 in the best interest of guests and staff. Sponsors were given the option of a refund, donation to the FIA, or transfer to another fundraiser of their choice. Donations to the museum reached \$4,300 and three sponsors transferred \$2,000 to another fundraiser. Proceeds benefited museum programming and outreach programs for PreK-12 students.

Sponsors: Al Serra Auto Plaza, Eleanor Brownell, David & Sally Doneth, Gary & Carol Hurand, Olmsted Associates, Dr. Ray & Mrs. April Rudoni, Ann & Khalil Saab

Community Gala

4.2.22

The 15th annual Community Gala celebrated the exhibition *Sons: Seeing the Modern African American Male* by artist Jerry Taliaferro. With the safety of our guests and staff in mind, this fundraiser was postponed from its original date of January 22, 2022. With a record breaking 402 guests in attendance, the evening began with a Q&A between Curator of Collections & Exhibitions Tracee Glab and Jerry Taliaferro in the Theater followed by a strolling reception. Catering was provided by Redwood Steakhouse, décor by Divine Events & Linens and entertainment by the Reichlin Small Group. The committee raised more money than ever, with Communities First generously donating \$10,000 as the signature sponsor. Proceeds support FIA exhibitions and expand the African American art collection at the FIA. Accumulated funds recently purchased a larger than life painting titled *The Funeral Repass*, by artist Keith Duncan, which has been credited to the Community Gala Committee. The final net profit was \$45,500.

Wine Tasting

4.30.22
The FIA partnered with the Junior League of Flint for the 21st Annual Wine Tasting. The event was postponed from its original date in March. Guests were invited to grab their boarding pass at check-in and take a journey as we visited popular wine destinations across the globe. The sponsor-only VIP reception showcased high end wines from Vintage Wine Co. and gourmet hors d'oeuvres from Redwood Steakhouse with 163 sponsors in attendance. The sponsors then moved to the Main Event, joining 77 ticket holders to enjoy wines from Eagle Eye Brands, Great Lakes Wine & Spirits, Imperial Beverage, Republic National Distributing, The Wine Poor, and Vintage Wine Co. Catering was provided by Redwood Steakhouse. Bishop Airport generously loaned many vintage airline pieces to complete the look, such as ticket counters and classic seating. The committee raised the highest amount of funds in Wine Tasting history. Net proceeds reached \$30,000, split equally to support museum programming and outreach programs for PreK-12 students, as well as the JLF and its community partners.

Flint Art Fair

Flint Art Fair

6.11.22 - 6.12.22
Attracting thousands of visitors each year, the 55th annual Flint Art Fair, held on the second weekend of June, is located on the grounds of the FIA and is organized by the auxiliary group Friends of Modern Art (FOMA). The art fair was juried to ensure the highest caliber of artists and introduced works from more than 100 established and emerging artists from Michigan and beyond.

The PARTY

6.4.22
The PARTY: A Vintage Circus took place on Saturday, June 4, 2022 with 498 guests in attendance. The event was a smashing success, raising the highest amount earned at a special event fundraiser in FIA history. Shea Automotive showed their support as the signature sponsor. The PARTY was catered by Redwood Steakhouse, with Bongo's Popcorn providing a popcorn giveaway to guests. Décor was provided by Gerych's and The Whole 9 Yards. Bacchanal Promotions performed a thrilling three-ring circus act throughout the museum, which included an aerialist, fortune teller, painted models, stilt walker and more. DJ Peter McFray provided entertainment, Mirror Mirror Photobooth had a funhouse of mirrors for a unique photo opportunity and Appearance Valet provided valet service. The raffle prize was generously donated by glass artist Martin Blank titled *Shimmer* with a value of \$15,500, which raised a record breaking \$11,950. The event netted \$83,000 to support museum programming and outreach programs for PreK-12 students.

Facility Rentals

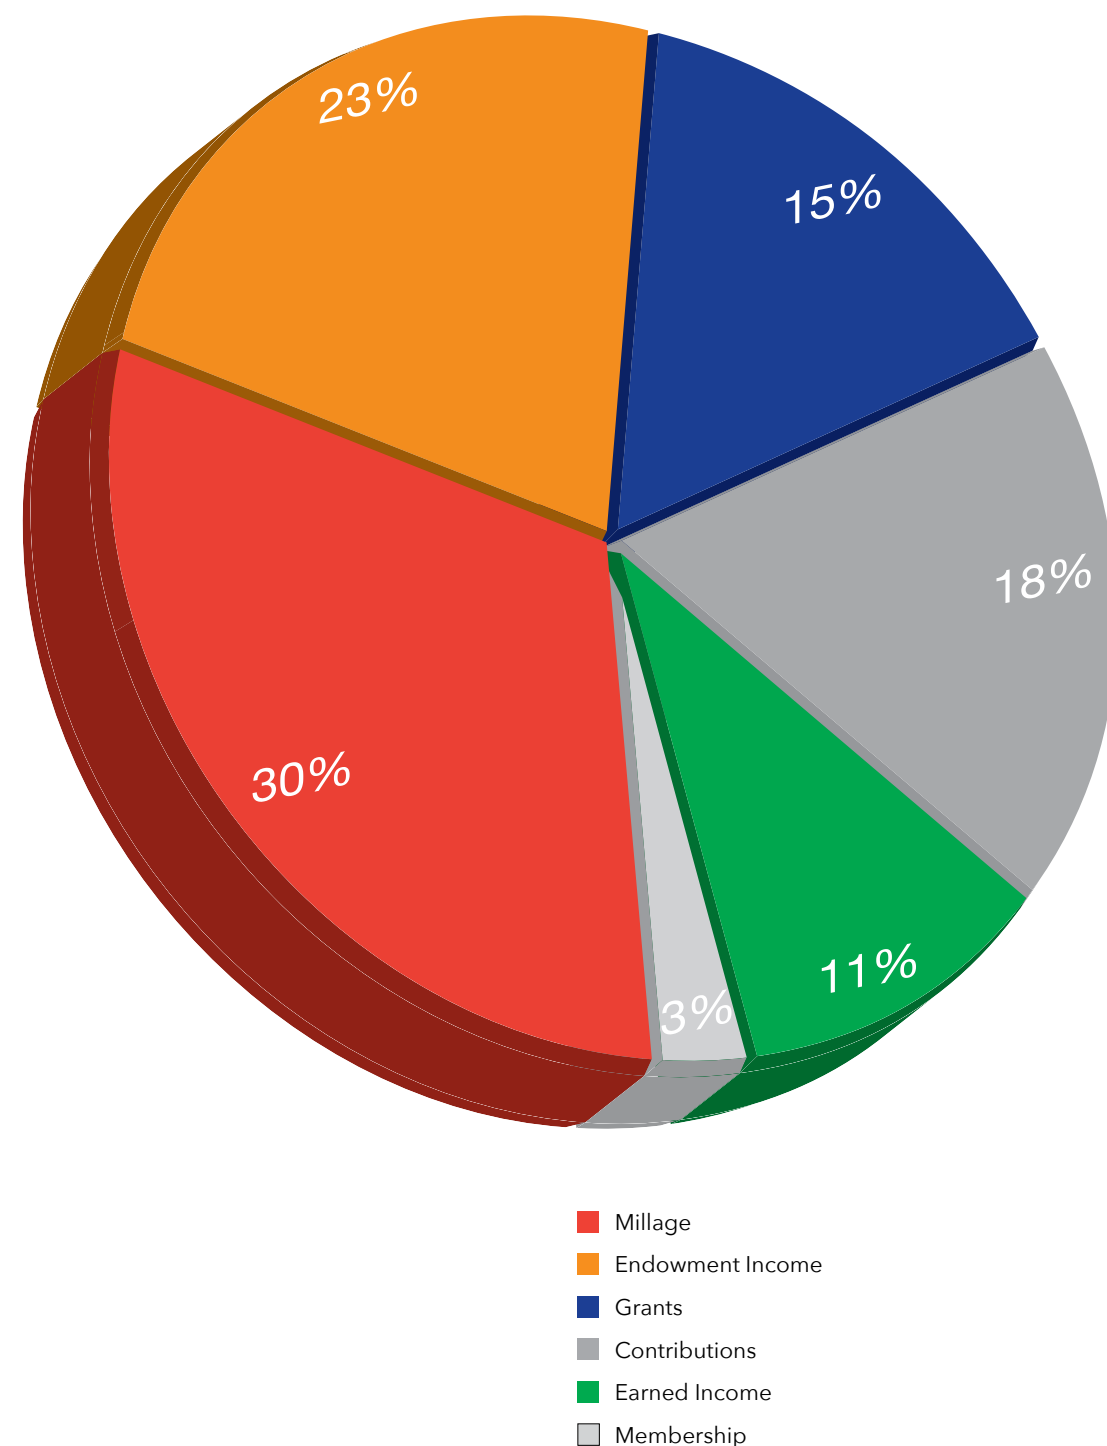

From July 1, 2021 through June 30, 2022, 38 events took place through rentals and partnerships. The FIA hosted many groups, organizations and businesses including Communities First, Council of Michigan Foundations, Flint Jewish Federation, Flint Public Library, Genesee Intermediate School District, Genesee County Rotary, Habatat Gallery, Huntington Bank, Mott Community College Black Professional Alliance, and the Schussmeister's Ski Club. Rentals included many private events for family and business functions (i.e. film festivals and screenings, graduations, luncheons, meetings, memorials, wedding ceremonies/receptions and more.) Attendance for these events reached 3,150 with \$39,700 in earned income and \$16,500 in bar sales.

During the fiscal year, 44 internal events took place at the FIA. In partnership with the Flint Institute of Music's Music Around Town Series, this included nine evenings on the Palette Café patio for Late Night at the FIA. 1,200 guests enjoyed these Fridays in July and August, which featured different entertainment each week with delicious food and drink specials. The event was free to attend with the option to purchase food and beverages. Bar sales reached \$4,800. In addition, the FIA hosted its popular lecture series' Coffee with a Curator and the Sheppy Dog Fund Lecture, Thompson Lecture, introduced the Kommareddi Family Lecture series, hosted a Community Dialogue for the *Sons: Seeing the Modern African American Male* exhibition, members previews for *Brush with Reality: Yigal Ozeri* and *Being Human: Contemporary Art from the Rubell Museum*, several independent artist talks, and membership events for The Contemporaries and Rubens Society. 2,400 guests enjoyed other events with additional bar sales of \$4,100.

The Development Department is responsible for all areas of funding for the Flint Institute of Arts. The department manages audience development, public and community relations, promotion and marketing, internet and social media, and the FIA website.

Income

The FIA has six primary sources of support: county millage, endowment income, grants, contributions, earned income, and membership.

Chan Family Gallery

County Millage

In August of 2018, the Genesee County Arts Education and Cultural Enrichment Millage passed. The 10-year millage contributes funds to the FIA's general operating budget. In fiscal year 2020-21, the \$2,185,878 millage funding was 30% of the operating budget.

Endowment Income

Both restricted and unrestricted endowment funds support general operations, exhibitions, programs, art acquisitions, art conservation, scholarships, lectures, and membership initiatives. As of June 30, 2022, endowment income totaled \$1,720,090 contributing 23% to the annual income. Unrestricted donations in the form of planned gifts and bequests are traditionally allocated to endowment.

Grants

The FIA receives grant awards from foundations, community organizations, businesses, corporations, and state and federal government programs. Revenue from grants represents 15% of the FIA's annual income. The FIA receives support from two auxiliary groups, the Founders Society and Friends of Modern Art (FOMA).

Contributions

Sponsorships, annual appeal gifts, memorials, donations, and funding of specific programs or events represents income sources in this category, which contribute 18% of the FIA's annual income.

Earned Income

Income generated from sales, tuition, facility rentals, special events, and admissions provide 11% of the FIA's operating income.

The funds contributed to dedicate The Chan Family Gallery and the Sheppy Dog Meeting Room supported the successful completion of the \$4 million Art School Expansion Endowment Campaign.

Sheppy Dog Meeting Room

Membership

Membership dues represent 3% of the FIA's general operating support and begin at \$20 for Youth and Student levels and progress to \$1,500+ for the Rubens Society level. Basic benefits are enjoyed by all, and higher level members (\$100 and above) receive extended benefits, such as reciprocal membership privileges to over 1,100 museums nationwide. The Rubens Society generates more than \$150,000 to the budget and Society members are invited to three exclusive events throughout the year. Members receive a discount on Art School classes. Of new members who joined the FIA, 9% joined through the Art School. The Flint Print Club was established in 2007. The club is limited to 100 members who, after first becoming a member of the FIA at the Family level (\$50) or above, pay an annual club fee of \$250 and receive a commissioned print by a critically acclaimed artist. The club is dedicated to connoisseurship, the pursuit of personal collecting, and the purchase of prints to augment the FIA's collection. The Contemporaries was established in 2018 and is currently sponsored by CTG Insurance. After first becoming a member of the FIA at the Student level (\$20) or above, The Contemporaries pay an annual fee of \$50 for one person or \$75 for two people. The Contemporaries members then have access to the FIA through special events, tours, workshops, and networking with other young professionals. The FIA College Town initiative provides free membership to college students nationwide. Students with a valid ID receive basic membership benefits with invitations and other announcements received via email. Please see pages 42-52 for this fiscal year's membership listing. Donors to and members of the FIA provide the foundation for all the FIA's activities.

Each year, volunteer support groups donate time and effort in support of exhibitions, art acquisitions, and programs. The Flint Institute of Arts is deeply grateful to the members of the Friends of Modern Art and the Founders Society for their generous contributions.

Friends of Modern Art

Letter from the President, Lynne Taft-Draper

Fiscal year 2021-22 was a year of post-pandemic rebuilding and administrative changes for the Friends of Modern Art. The year brought the need to establish a new film committee as well as form a nominating committee to elect a new slate of officers to begin the 2022-23 fiscal year. Additionally, the multi-year task to revise and update the FOMA by-laws was successfully completed.

FOMA's major fundraising event, the Flint Art Fair, returned after cancellations in 2020 and 2021. The 55th Annual event, hosting more than 100 artists, logged nearly 4,000 patrons in attendance over the 2-day fair. New in 2022, and very well received by participants, was the inclusion of a 24-foot interactive mural feature, designed by students in the Mott Community College Design Center, which was available for patrons to add their own artistic flare.

I am also proud to announce the Friends of Modern Art as the recipient of a Silver ADDY Award for its 2021 Disc 4 Arts sales & marketing campaign, designed by FOMA's own board member, James Shurter, Director of the Mott Community College Design Center.

The annual FOMA Member Event was held on May 13, 2022, with nearly 40 members and guests in attendance for an exclusive private tour of the FOMA-sponsored exhibition *Being Human: Contemporary Art from the Rubell Museum* with the Rubell Museum Director, Juan Valadez. Immediately following, attendees enjoyed the opening lecture of the exhibition by Mr. Valadez.

The 35-week FOMA Film Series resulted in total attendance of 2,386 patrons, an average of 68 viewers per weekend. Among the movies shown in the series were *On the Rocks*, *French Exit*, *Licorice Pizza*, and the ever-popular Academy Award Nominated Shorts. The summer film series, co-curated by FOMA Film Committee member, Ja-Neen Wooten and FIA Film Coordinator, Heather Jackson with noteworthy films such as *Waiting for Guffman*, *Amelie*, and *Out of the Past*, attracted nearly 400 attendees during the months of June, July, and August.

I would like to thank the members of the FOMA Board for contributing their time and energy to help plan these valuable programs and events. And, on behalf of the entire FOMA Board, I would like to extend our sincere gratitude to our members for their participation and attendance.

Founders membership dues, which had been \$10/year for the past decade, were raised to \$20 per year in January 2020. Membership included two passes each to First Bloom and First Frost, a \$20 value. A combo dues partnership with FOMA, our sister fundraising organization at the FIA was established at the same time. It includes dual membership in both organizations for only \$30. In addition to Founders event passes, the combo membership includes FOMA film series tickets and passes for admission to the Flint Art Fair in June. Founders dues income for our 2021-2022 fiscal year was \$3,420.

First Frost Arts & Fine Crafts Fair started in 2006, and has become Founders major fundraising event. Scheduled for the end of October at the new Flint Cultural Center Academy, a stone's throw away from the Flint Institute of Arts, it would have provided Founders with significantly more exhibition space than was available to us at the museum. Due to pandemic restrictions in force at the time, we cancelled the event for 2020 and 2021; however, I am pleased to note that First Frost is definitely "a go" at the FCCA for November 5 and 6, 2022.

First Bloom! Artful Bling & Pleasing Things, our new spring time event, modeled after First Frost, but with a spring-time emphasis on jewelry, accessories, and fashion-wear was initially tried out as a one-day pop-up type event in April 2019 at the Flint Farmers' Market. It netted enough that we felt that in a different venue we could make it bigger and better if we transitioned it to a 2-day event in 2020 at the FCCA. COVID nixed that in 2020 and again 2021, but third time was the charm in 2022. On April 2 and 3, Founders successfully hosted First Bloom with over 40 artists at the Flint Cultural Center Academy, netting \$8,500.

Again, due to the pandemic, our travel and tours committee has been on hiatus this past year. We will be looking at the potential for more local tour activities in the spring of 2023. In past

years, income received from our various fundraising activities has enabled the Founders Society to meet our FIA pledges. However, the unprecedented pandemic has virtually shut down and forced us to cancel our usual events for two years, putting a big dent in our bank account. With the pandemic threat no longer as serious a threat to our members and patron, Founders expects to fully resume these activities in fiscal year 2022-2023.

Independent Auditor’s Report

March 1, 2023

We have audited the accompanying financial statements of Flint Institute of Arts (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Flint Institute of Arts as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Flint Institute of Arts and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Flint Institute of Arts’ ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

- In performing an audit in accordance with generally accepted auditing standards, we:
- Exercise professional judgment and maintain professional skepticism throughout the audit.
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Flint Institute of Arts’ internal control. Accordingly, no such opinion is expressed.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
 - Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Flint Institute of Arts’ ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

We have previously audited the Flint Institute of Arts’ 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated April 11, 2022. In our opinion, the summarized comparative information presented herein, as of and for the year ended June 30, 2022, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Investments is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.
